Total		36,219	495	2,046	11,522	2,695	2,827	55,804	147,888

Source: These estimates are based on a housing unit methodology. Housing unit figures are taken from the Clark County Secured Tax Roll and City of Henderson Building Permits. Persons per household are based on numbers from the 1990 United States Census of Housing and Population. Vacancy rates are derived from Clark County Comprehensive Planning based on a survey performed by the United States Postal Service - July, 1997.
